

Vote YES on Proposition P to Preserve Natural Areas in St. Louis County

Preserving Natural Areas, Parks and Trails in St. Louis County

- ✓ Natural areas in St. Louis County will be protected.
- ✓ Existing County trails for walking, jogging and bicycle riding will be improved.
- ✓ Additional funds will be provided to improve existing county parks and funds will be doubled for municipal park improvements.

In today's digital age it is more important than ever to preserve places where children can safely run, play and experience nature in St. Louis County. Proposition P will expand the metro areas' system of parks, trails and natural areas, giving kids more access to outdoor activities that will improve their health and well-being.

Proposition P will cost less than 2 cents on a \$10 purchase.

That's a very small price to pay for a world class attraction such as the Arch and to improve our local parks and trails.
